

ImGui::OpenPopup

```
graph LR; A[ImGui::OpenPopup] --> B[ImGui::OpenPopupEx]; B --> C[ImVector::back];
```

A flow diagram illustrating a sequence of three function calls. The first box, 'ImGui::OpenPopup', is shaded gray and has a dark blue arrow pointing to the second box, 'ImGui::OpenPopupEx'. The second box is white and has a dark blue arrow pointing to the third box, 'ImVector::back'. All three boxes are rectangular with black borders and are arranged horizontally.

ImGui::OpenPopupEx
