

ImGui::ShowMetricsWindow

ImGui::ShowUserGuide

ImGui::BulletText

```
graph LR; A[ImGui::ShowMetricsWindow] --> C[ImGui::BulletText]; B[ImGui::ShowUserGuide] --> C;
```

The diagram illustrates two function calls to a common function. On the left, two white rectangular boxes with black borders contain the text 'ImGui::ShowMetricsWindow' (top) and 'ImGui::ShowUserGuide' (bottom). On the right, a gray rectangular box with a black border contains the text 'ImGui::BulletText'. Two blue arrows originate from the right side of the white boxes and point towards the left side of the gray box, indicating that both 'ShowMetricsWindow' and 'ShowUserGuide' utilize the 'BulletText' function.
