

ExampleAppLog::Draw

ImGui::ShowMetricsWindow

ImGuiListClipper::Step

```
graph LR; A[ExampleAppLog::Draw] --> C[ImGuiListClipper::Step]; B[ImGui::ShowMetricsWindow] --> C;
```

The diagram illustrates a call graph where two functions, 'ExampleAppLog::Draw' and 'ImGui::ShowMetricsWindow', both call the function 'ImGuiListClipper::Step'. The call from 'ImGui::ShowMetricsWindow' is represented by a blue arrow pointing to the target function box. The call from 'ExampleAppLog::Draw' is represented by a blue arrow pointing to the same target function box. The target function box is shaded gray, while the caller boxes are white.
